

Council Work session, Avoca City Council, August 30, 2022

Mayor Aaron Long called the meeting to order at 5:31 PM with William Dea, Diane Stamp, Fred Miller and Matt Gramkow (arrived at 5:51 PM) present. Motion by Dea, seconded by Miller to approve the agenda. Motion carried 3-0.

Mr. Schoonover passed out a revision of Chapter 8 of the City Code in progress for the council to review against the old Chapter 8.

Some of the concerns the council would like Mr. Schoonover to look at:

- Change the name of the person who will be doing building permits
- Look at if there is a good way to have different setbacks for residents who have building heights higher than 15 feet.
- Can we add no lude or offensive signs?
- Ensure we have the setback chart in our appendix
- Need to figure out how many Planning and Zoning members we need. Split the Board of Adjustments away from Planning and Zoning and or if we can have Council be the appeals process.

Motion by Gramkow, seconded by Miller to adjourn the meeting at 6:47 PM. Motion carried 4-0.
