MARCH Fire Prevention Tips

March will be filled with windy, dry conditions that can fuel grass fires. Currently, Pottawattamie County is in a Red Flag Warning.

Two important factors in this determination are:

1. Relative humidity (RH) less than 25% for several hours. RH depicts how much water is in the air, relative to the temperature of the air
2. Winds 20 feet off the ground of at least 15 mph for several hours.
