

Trash to Cash

Avoca Veterans' Community Center Fundraiser

Overview:

We will provide unique pieces, lovingly known as “junk”, at the July 17th Avoca Farmer's Market. The goal is for you to create one or more “fundraiser-worthy” project(s) that we can auction off at the Farmer's Market on August 21. All proceeds will go to the AVCC.

Rules and Instructions

1.) **Entry Fee: \$20 paid in CASH on July 17th.**

This fee allows you to choose junk from our recycled pile displayed at the Avoca Farmers' Market on July 17th. Auction is set for Farmers' Market on August 21, 2024.

*\$10 will be refunded to you when you return your project or donated back to the Avoca Veterans' Community Center project.

2.) **Select 3 – 10 pieces from our junk pile to be used in your project.**

Please note: Some junk items may be limited by type of item (i.e. no one goes home with all the wood.) First come/first serve! You may pick up a minimum of 3 junk pieces; and a maximum of 10; no matter how many projects you plan on making.

3.) **Use all items selected in your project.** All projects must be appropriate for public display.

4.) **Add as little or as much of your own junk to the project.**

5.) **IDEAS: cut, clean, weld, sand, glue, bolt, bend or paint – you name it – in any fashion, to complete your project.**

6.) **Return your finished project(s) no later than August 7th.** **Call Janet Graham at 712-307-0493 to coordinate your return.** If you love your project – you are free to bid. Auction is August 21st.

7.) **There will be a winner!**

\$100 will go to the person whose project brings in the highest bid. Invite your friends to the auction!

Good luck!
